

Explore the World Cultures Gallery

The World Cultures Gallery houses artefacts from around the world. Some of the items on display came to the museum in ways that are considered unethical.

What do you think it means if something is **unethical**?

Match the word with the definition

Traded	The item was robbed on a large scale, usually with violence
Gifted	The item was lost and then found
Found	The item was willingly sold or swapped
Looted	The item was given freely
Stolen	The item was taken without permission
